GENERAL ACCOUNT CONDITIONS

- To determine the annual percentage yield, we assume the interest will remain on deposit until maturity. A withdrawal will reduce earnings.
- Interest begins to accrue for the deposit of non-cash items (for example, checks) no later than the business day credit is received under the applicable availability schedule established by the Federal Reserve pursuant to the Expedited Funds Availability Act and Regulation CC.
- We use the daily balance method to calculate the interest on this account. This method applies a daily periodic rate to the principal in the account each day.
- If funds are withdrawn from this account before maturity, Federal Reserve regulations require an early withdrawal penalty, unless the withdrawal is due to death or incompetency of an owner. If the account automatically renews, the owner(s) may withdraw all or part of the balance of the account on any maturity date or within ten (10) calendar days thereafter without penalty. The penalty is at the interest rate being paid at the time of withdrawal and applies regardless of the length of time the funds have remained on deposit. The penalty is in terms of interest on the amount withdrawn and may require reduction in the principal sum of the account. The penalty for early withdrawal is as follows:

Accounts with maturities of:

Seven to 31 days	All interest earned to date of withdrawal, or all interest that could have been earned for one-half the maturity period, whichever is greater.
32 days to 12 months	One month's interest earned or that could have been earned.
More than 12 months	Three month's interest earned or that could have been earned.

- We reserve the right to change any of the terms and conditions of this account provided we so notify you in writing at least thirty (30) days in advance.
- If this account automatically renews at maturity, a notice of renewal will be mailed to you fifteen (15) days prior to maturity. We reserve the right not to renew the account at any maturity date upon mailing to you thirty (30) days in advance of the maturity date a notice of our election not to renew.
- Interest checks and notices relative to this account will be mailed to your last known address.
